

## **Come Join Our Family**

Registration for the 2021-2022 school year is now open!

It is the perfect time to consider joining the St. Joseph School Family. Our school has continued in person instruction 5 full days a week! Our curriculum is second to none, our technology integration from Early Childhood to 8<sup>th</sup> grade cannot be matched, and the moral and faithful development of our children cannot be measured. Whether your child is just beginning in Preschool or Kindergarten or is in 1st-8th grade, we would love to welcome you to our family. We accept transfer students in every grade, as long as we have openings. W

If you are interested in transferring to St. Joseph during 2020-2021, please contact us about classroom availability. We will answer your questions, help with your registration, and arrange a personal tour.
